Lab Environment Connection Instructions

You should have received a url to reach a Github page. Enter your User Number in the box that says "User Number" and click Submit.
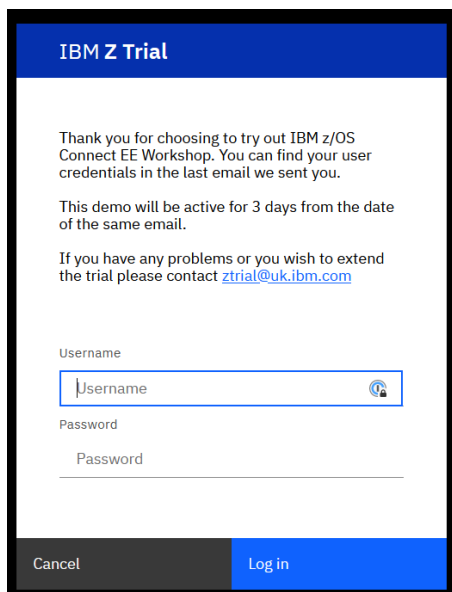

You should see results on the page similar to the picture below:

Using a web browser

Enter this URL address in the browser's URL area:
https://T-32555-130-198-82-235.ibmztrialmachines.com/

Authentication with username: Administrator

Using password: b6w1x6W0K0q4P2Q4DYQg

Here is how to use them.

To connect using a **Web browser**:

- Copy the address that appears beneath "URL" in the connection details and paste it into the address bar of your browser.
- The page will then present a login window. Use the username that appears under "User ID for Web browser" in the connection details and the password that appears under "Password" and click "Log In"
